REMARKS

Applicants thank the Examiner for providing an opportunity to re-submit in proper form the claims amended by the Amendment dated April 23, 2004 and to re-submit the claim amendments made in the Amendment dated August 9, 2004. Applicants kindly request that the claims submitted herein be substituted for the claims presented in the Amendment dated August 9, 2004.

Through a clerical error, the deletions in the claims made by the Amendment dated April 23, 2004 were not removed and thus the claims marked as "(Previously Presented)" in the Amendment dated August 9, 2004 showed, in error, both the additions and deletions made by the April 23, 2004 Amendment. In this Amendment, the claims amended by the Amendment dated April 23, 2004 are shown in proper form and the amended claims introduced in the Amendment dated August 9, 2004 are re-submitted.

Reconsideration of the rejections in view of the amended claims as submitted herein and the Remarks in the Amendment dated August 9, 2004, which Remarks are incorporated herein by reference, is requested.

All objections and rejections having been addressed, it is respectfully submitted that the present application is in condition for allowance. If questions relating to patentability remain, the examiner is invited to contact the undersigned to discuss them.

Should any fees be due, please charge them to our deposit account no. 03-3975, under our order no. 061047/0265648. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced deposit account.

Respectfully submitted,
